

Romanby Primary School Newsletter

Issue 2, September 2020

Over the last couple of weeks, the children have really engaged with their new Imaginative Learning Projects. Whether it is finding out more about the Tudors, looking at how the human body works or sharing lots of stories it has been great to see their enthusiasm. Reading is highly beneficial to children's cognitive development, mental health and wellbeing. We are really encouraging the children to read regularly at home and in school for a few moments each day. The Y5/6 classes are really enjoying being read to from their current class book. It was also great to be told the other day by two girls in Y3/4 that monkeys use sticks to clean their teeth like we use dental floss. They had found it in a book they were reading and were surprised that I didn't know!

Flu Immunisation

The team is scheduled to visit Romanby Primary School on Wednesday 7th October as part of the Flu Immunisation Programme. If you would like your child to receive this immunisation, please ensure you have given your consent. Details on how to register consent were sent out from the school office via email. If you have not received this email or have any questions, please contact us.

Headlice

We have been informed that there are cases of head lice in Year1/Year 2. In order to stop this spreading any further we would ask you to check your child's hair as soon as possible. If any head lice are found then please contact your local pharmacy for advice on the current treatments available.

Frequently asked questions - School Catering during COVID 19

Please see attached link from our catering providers which may help answer any questions you have regarding school catering. Please note that we do not currently offer Grab Bags in school.

Travel Survey

We have been asked by North Yorkshire County Council to share the survey below. They are encouraging parents and carers to re-think the school run, and think about how it can be made fun, safe and healthy. It is a chance to make a positive change to the way our children travel to school in North Yorkshire. This is a follow up survey to a survey conducted via Facebook before schools returned in September and they would like as many parents and carers as possible to respond to this new survey. It is also being distributed via the Open North Yorkshire Facebook page, which parents and carers can access at facebook.com/OpenYorkshire. The survey will close on Sunday 4th October.

Social distancing on the playground

Please can we ask that when dropping off/collecting children from school that you adhere to social distancing guidelines. Once you have collected your child, please can you leave the playground using the exit opposite the WI Hall. Please do not stay on the playground longer than is required to ensure everyone's safety. Thank you.

Parking

We have had a complaint from a resident who lives on Ainderby Road regarding irresponsible car parking during school drop off/collection times. Please be considerate when parking your vehicle and ensure you are not making it difficult for residents to access their driveways safely. Thank you.

Information for Year 6 parents - Stokesley School & Sixth Form Virtual Open Evening

A virtual open evening will take place on Thursday 8th October. The website will be live from 5pm and throughout the evening, and will also include a live Q&A session with the leadership team from 5.30pm. For more information and timings of the evening please visit www.explorestokesley.org.

Stars of the Week

Even though we are not having whole school assemblies at the moment we are still having a class award assembly each Friday. These link to our "Secrets of Success". We are also continuing to use Marvellous Me to record Team Points and send home information about the learning activities taking place in each class. Even if you don't have the app at home we can still use it in school to record Team Points etc. For more details see <https://marvellousme.com/#parents> or contact the school office.

Congratulations to the following children who received the "Star of the Week" award in the last two weeks:

Mrs. Allen's class	Elliott W, Emily J, Isaac G, Edie K
Mrs. Hugill's class	Edward W, Declan A, Eloise R, Finnegan G
