

Y2 Autumn (ii) Beat Band Boogie

English

In English we will be using the book 'Patrick' by Quentin Blake which tells the story of a man with a magical violin. We'll also be looking at non-fiction texts to learn about the instruments of the orchestra. Towards the end of the term, we'll be sharing some lovely Christmas stories.

Maths

Our Maths learning will be focused on multiplication and division with further work on shapes and the new topic of fractions. On Fridays we'll continue with Big Maths and Maths Mats and monthly maths target tests.

Music

In music we will be continuing to develop our singing skills.

RE

In RE we continue to learn about some creation stories from different faith traditions and later in the term think about the meaning behind the story of the Nativity.

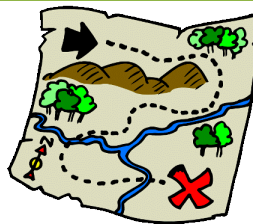

Science

In Science lessons we'll be learning all about the human body. We'll look at parts of the body and the senses and also at diet, exercise and keeping clean and healthy.

Computing

In these lessons we will be learning about how to design celebration cards using the computer.

Art and DT

In Art, we will be learning about colour mixing, observational drawing and doing some painting to music

...and in DT we will be designing and making musical instruments.

PE

PE will be on Thursdays and Fridays. We will be playing hockey outdoors and doing gymnastics in the hall.

Geography

In Geography lessons, the class will be doing map-making activities.
