

# Romanby Primary School Newsletter

“Making Every Moment Matter”

9<sup>th</sup> January 2026

Happy New Year! We hope that you had a fabulous Christmas. It has been lovely to have the children back in school and hear all about their holidays. They have all come back well rested, happy and ready to learn about their new projects for this term. It has been a busy week with the launch of these projects as well as the Y5/6 swimming gala.

Information about the learning projects for this term has been sent home via email and can also be found on the year group pages of our website <http://romanby.n-yorks.sch.uk/children/>. This includes detailed knowledge organisers for each key project.

## Staffing

Congratulations to Mrs. Clarke and Mrs Slaney who both had their babies over the holiday period. Mrs Clarke had a baby boy and Mrs Slaney had a baby girl. They are all doing well and we are looking forward to seeing them soon.

## Swimming Gala

Last Wednesday was the Y5/6 swimming competition. There were five schools in total. It was mostly individual but some races were done in teams. Romanby did very well and won lots of medals. In the team were Oliver S, Elliott W, Harrison, Toby, Zoe, Catherine, Emelia A and Aoife.

By Oliver

## Attendance

Despite the illnesses before the holiday we continue to have a good attendance level. Please remember that we can't authorise holidays in term time unless the circumstances are exceptional.

We know it can be tricky deciding whether or not to keep your child off school when they're unwell. This link provides some really helpful information about all sorts of illnesses. <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

**MOMENTS  
MATTER,  
ATTENDANCE  
COUNTS.**

“From the first day of term to the last, the small moments in a school day make a real difference to your child. #AttendanceCounts”

## Year 4 Multiplication Tables Check

Children in Year 4 will be participating in the multiplication tables check (MTC) in June. The purpose of the check is to determine whether your child can fluently recall their times tables up to 12, which is essential for future success in mathematics. Further information for parents is available at [https://assets.publishing.service.gov.uk/media/690cb4ebb5e5a06aefd46b58/Multiplication\\_tables\\_check\\_information\\_for\\_parents.pdf](https://assets.publishing.service.gov.uk/media/690cb4ebb5e5a06aefd46b58/Multiplication_tables_check_information_for_parents.pdf)

## Report from the Children's Commissioner

The Children's commissioner has recently published a new guide, "What I wish my parents or carers knew: A guide for parents on managing children's digital lives."

Supporting children's safety is a shared responsibility between families, schools and wider society. For parents and carers, this responsibility has become increasingly complex as children's lives are now deeply intertwined with the digital world. Many parents face difficult decisions about how to balance protecting children from online harm with enabling access to spaces that are now central to learning, socialising and play.

The report can be found on the link below.

<https://www.childrenscommissioner.gov.uk/resource/what-i-wish-my-parents-or-carers-knew-a-guide-for-parents-and-carers-on-managing-childrens-digital-lives/>

## Dangers of Frozen Water – Stay Wise – North Yorkshire Fire and Rescue Service

Attached to this newsletter is a poster from North Yorkshire Fire and Rescue Service reminding people about the dangers of frozen water.

## Worried about the cost of living?

If you're struggling to pay for food and other essentials, there are local schemes and organisations in North Yorkshire which may be able to help or point you in the right direction. You'll find information about emergency support with everyday living costs, benefits, energy bills, food, free adult learning courses and managing your debt all in one place at [www.northyorks.gov.uk/costofliving](http://www.northyorks.gov.uk/costofliving)

North Yorkshire Council's cost of living web page also has information about schemes to help families including free school meals, help with childcare and healthy start as well as free school holiday activities for eligible families.

If you're less confident with technology and have friends or family who might be able to help you understand what support is available, please ask them to look at the web page with you. You can also go into any North Yorkshire library or North Yorkshire Council office.

If you're not sure who to turn to, you can call North Yorkshire Council's customer service centre on 0300 131 2 131 Monday, Tuesday and Thursday 9am to 5pm, Wednesday 9:30am to 5pm and Friday 9am to 4:30pm asking for 'cost of living help' when prompted.

## Special Menu

On Thursday 15<sup>th</sup> January we will be having a special menu and would like to encourage all children to have a school dinner on this day. While the weather is cold it is beneficial for the children to have a hot meal at lunchtime. If your child does not normally have a school dinner they are able to make their menu choice at morning registration.
