Issue 10, May, 2021

This week we have seen some lovely work being completed in school. In Y3/4 there are some very large pieces of art work starting to appear around the corridors and in the hall. There have been some really interesting Science investigations taking place and the improvements in badminton skills over the past few weeks have been great as the videos on our Facebook page demonstrate.

As the weeks go on we hope that the Covid restrictions we have all had to follow will continue to be eased. We are looking at whether we can organise some of the activities we normally hold in the summer term and will update you as soon as we can. At the moment we are still being advised to keep to class bubbles as much as possible and limit mixing. We know that this is hard for the children to understand as they can now mix for activities such as football clubs etc.

We would also appreciate your support in talking to your children about the language that they may hear on TV or when they are out and about. We have recently seen more children using unacceptable language, particularly when playing at breaktime and lunchtime.

Online safety

The NSPCC have developed a guide to some of the different apps that children are using which we thought would be worth sharing. Please see:

Numbers Day

Last Friday, the children enjoyed a day of maths activities and fun! Part of the day included the children battling it out to become 'Times Table Rockstars Champions'. Well done to the following winners: Lleyton M, Noah P, Alyssa M, Daniel B, Matthew J, Josh L and Matthew Q. All the classes also took part in Buddy's Key Challenge – well done to Y12SWHC for completing the challenge in the fastest time. Thank you to everyone who 'Dressed up for Digits' and donated money to the NSPCC – we raised an amazing £268.

Hat Day

On the 28 May (28/05/2021), we will be holding a 'Hat Day' in aid of Children's Cancer North. This is a charity close to our hearts because of all the amazing support they have offered our Right's Respecting Ambassador, Noah.

Noah would love to thank them, with your help, by raising as much money as possible.

The charity provide support to children going through treatment for cancer, funding early phase trials and research to make treatments less harsh but more effective for children. They also support parents and families funding play equipment, and activities to keep children distracted. They are currently looking to update the wards, improving wifi access so families can stay connected especially with current restrictions around one carer per child and updating play equipment.

Please wear your best (or silliest!) hat to school on Friday 28th of May. We're asking for voluntary contributions through the JustGiving page <https://www.justgiving.com/fundraising/romanby-primary-hat-day> for as much as you are able.

On behalf of Noah, our Right's Respecting Ambassadors and all of us here of Romanby Primary, thank you!

Free 'Dr. Bike' Safety Check

Stage 1 Cycles are providing free "Dr Bike" sessions in the Applegarth Long Stay Car Park, Northallerton on Saturday 22nd May. These are available for both adult and children's bikes and include up to 30 minutes work checking the cycle is safe to ride and making minor repairs if necessary.

The Fire Service and Police will also be there offering road safety advice and property marking.

SFX Open Evening

Their Open Evening for prospective pupils and their families will take place this year on Tuesday 21 September.

The Peculiar & Preposterous Pie Competition

Tegan in Y4 has reached the final of a national pie design competition run by the Vale of Mowbray. If she wins her "All Day Breakfast Pie" will be made and she will get to watch this process. School will also win a cookery masterclass, so her win will be of benefit to other children too. Please help her bid for victory by clicking on the link below to vote in this competition for Tegan's All-Day Breakfast Pie <https://woobox.com/dgbnfm>
