

# Romanby Primary School Newsletter

Issue 14, May 2022

In the last two weeks we have seen some fantastic learning taking place along with a lot of fun! The children in EYFS/KS1 really enjoyed their All Stars Cricket session followed by a visit to Northdale Horticulture as they continue working on their Scented Garden Imaginative Learning Project. Meanwhile Y5/6 tried something we have never done before when they worked in teams to solve the puzzles in an Egyptian Escape room. Y3/4 have also been busy finding out more about Ancient Greece by making clay statues of Gods and Goddesses.

Staff from Music in Schools also came into school to demonstrate some of the instruments that children can learn to play and details were emailed home last week.

Well done as well to all the children in Y6 who have also completed their SAT assessments this week. Thanks to the Friends of Romanby School for providing their celebratory pizza today!

Next week our Rights Respecting Ambassadors will be leading the Big Plastic Count in school so look out for details of this work on the next newsletter.

## Year3/4 Tennis

On Wednesday, we went to play tennis. We started with a warmup and then there were five different games, one involved a person throwing a ball and you had to hit it back within a certain area and another one where the ball couldn't touch the floor before you hit it back. We all won a medal that says, 'School Games'. I was proud of myself. My favourite part was where we were working together as a team. (Josh and Grayson, Year 3)

## Gymnastics

On Sunday, Chloe from Y6 attended the TeamGym English Championships where she was part of the winning team, therefore achieving a gold medal! Chloe was competing in a Level 3 open team and was the youngest in her team. This is a phenomenal achievement. Chloe and her team have put in a lot of hard work to get to this point and deserve all their success. We hope that many will be inspired by Chloe's achievements, as we have a lot of keen gymnasts in school.

**Platinum Jubilee**

As we mentioned on the last newsletter to celebrate the Jubilee, we will be holding a special day in school on 26<sup>th</sup> May. We will be having a Tea Party of school dinners and packed lunches on the field at lunchtime (weather permitting) with a special school dinner menu on that day of;

- Pizza (V)
- Cheese Straws (V)
- Homemade Sausage Rolls
- Vegetable Sticks
- \*\*\*\*\*
- Celebration Cupcake

One of the activities involved on the day will be a challenge to create a portrait of the Queen which will then be displayed in school. We would like the children to start thinking about how they might tackle this challenge, maybe in the style of their favourite artist. Mrs Weeks has provided a few ideas below.

**Stars of the week**

Every Friday we have a special celebration assembly when staff give out awards that link to our “Secrets of Success”. Congratulations to the following children who received the “Star of the Week” award in our last two celebration assemblies:

## Secrets of Success

We all follow three simple rules  
**We have the right to be treated with respect**  
**We have the right to learn**  
**We have the right to be safe**
