Queen's Jubilee

We have had a great day today celebrating the Platinum Jubilee. After the early showers the sun finally came out and meant that we were able to have our picnic on the field! The children have spent the day finding out more about the history of the royal family, creating artwork based on the Queen as well as coming into assembly to the national anthem. Look out for some pictures of the day on our Facebook page.

Professional Development Day

Just a further reminder that tomorrow (Friday 27th May) is a staff training day and the school will be closed to the children. We will look forward to seeing the children return on Monday 6th June and hope they enjoy the half term break.

Y3/4 Cricket Tournament

On Wednesday 25th May, Year 3-4 went to Northallerton Cricket Club to play in a cricket tournament. In our first game we played against Broomfield and lost the toss so they decided to bowl so we had to bat. Our total score was 78. When we bowled we restricted them to negative 4. That means we won by 82 runs. In our second game we again had to bat first. After the eight overs of batting we scored 74 runs. Our 6.5 overs were great and then it got rained off which resulted in us having an early lunch. Then in our eight overs of bowling they got negative 41 which means we won by 115 runs. Then it all came down to our final game against Applegarth. They had won all of their games like us. For the first time in the tournament we won the toss and bowled first. When we batted we comfortably and confidently got a lot of runs. That means we won the tournament! Altogether we encouraged each other and played well as a team.

Our players were Daniel B, Alex M, Gabriel S, Amelia D, Tom N, Matthew M, Peter G, Ethan A, Edward D and Thomas W.

Y3/4 Multi-Sports

Well done to the children who took part in the multi-sports competition last week at the leisure centre. Five schools took part in bouncy hopper races, frisbee and bean bag throwing and other team challenges. Our team won medals for good teamwork and self-belief. According to Macey, Freddie and Reggie the event was “awesome, fun, amazing and mind-blowing!”

Lost property

We are finding a lot of unnamed jumpers and cardigan's around school at the moment. Please make sure that your child's name is in their clothing so that it can be returned to them.

The Big Plastic Count 2022

Thank you to all those who took part in 'The Big Plastic Count' over the past two weeks. We've had thirty entries so far, however the final deadline is on the 31st May so there is still time to participate should you wish.

Here at Romanby, we are keen to get to the bottom of the plastic waste crisis and make our world a better, cleaner place for our children to grow and thrive in. We will continue to discuss plastic pollution in school during the Summer term, so keep your eyes peeled for any exciting updates!

Youth Sport Trust - 'Inspiring Changemakers, Building Belonging'

Recent research, commissioned by the Youth Sport Trust and conducted by YouGov, shows 83% of GB parents are concerned that children are spending too much time online and not enough time with one another. A children's charity has warned that childhood inactivity and loneliness is on the verge of becoming a 'new pandemic' as new research reveals parents are increasingly worried their children are growing up spending too much time online and not enough time with friends or playing sport. As a school, we are supporting the Youth Sport Trust who have launched its new long-term strategy 'Inspiring Changemakers, Building Belonging'. The aim is to ensure that by 2035 all children grow up knowing how to balance the demands of the digital age. Please visit the website to find out more about it: <https://www.youthsporttrust.org/about/what-we-do/our-strategy>

You will have also seen our planned sports days on the school calendar. We have had a few calls to ask if parents can attend to which the answer is – Yes, we hope people will come along to support the children on what are normally really enjoyable afternoons.
