Sports for Schools

The children had an absolutely AMAZING morning last Wednesday for our Sports for Schools event.

All of the children (and teachers!) put 100% into the fitness circuits and everyone really enjoyed them. The children were extremely lucky to meet Sean Gaffney, listen to his very inspiring story and ask him questions. Thank you so much for sending your sponsorship money in, collectively we raised £1876.00 in sponsorship money. The school will receive a share of the money that you have raised which we can spend on some great new sports equipment. We will keep you posted.

Attendance

At the start of the year we shared some information on the newsletter about the importance of good attendance. At the moment our attendance rate is 97%. We aim for at least 96%. Thank you to everyone for ensuring that their children are in school as much as possible. Having said that we are now seeing more cases of illness, including Covid-19. Please remember not to send children to school if they are unwell.

Tesco Community Grant

Thank you to everyone who has been putting blue tokens in for us over the last few months at the voting station in Tesco. We are eagerly awaiting to hear if we have been successful in receiving any funding for our KS1 outdoor area.

Lost Property

We have a large amount of lost property in school already. Please can you make sure that all your children's belongings are clearly named.

Rights Respecting Ambassadors

One of the first tasks our new ambassadors have done is to come up with new names for our house teams. They had a vote for new house names and decided on trees. Here are the four:

Birch

Sycamore

Hawthorn

Oak

Stars of the Week

Every Friday we have a special celebration assembly when staff give out awards that link to our “Secrets of Success”. We also use the Marvellous Me app to record Team Points and send home information about the learning activities taking place in each class. Even if you don’t have the app at home we can still use it in school to record Team Points etc. but last year 98% of families used this free app with very positive feedback. Details of how to access this app for new starters will come from the office shortly.
